## About This Game

BRIKS 2 is a classic retro arcade game with animated characters, animated backgrounds, boss monsters, power-ups and custom music. Collect bonuses and power-ups and break your way through over 100 levels and unlock 40 hidden levels. Power your way through levels by destroying briks by combining collected power-ups. Combining lasers, multi-ball and fireball creates the ultimate power-up combo to destroy the hardened briks and bosses that lay in your path.

Each brik has different levels of difficulty to destroy.

Use the mouse to collect power-ups, deflect balls, create barriers and fire laser weaponry.
